EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In line 30 of claim 19, replace "total solid weight (c)" with --total solid weight (e)--.

The print quality of the response was somewhat compromised due to the facsimile transmission. Based on the previous claim suggestions and instant claim 1, it appears that the letter "e" was slightly altered during transmittal to look more like a letter "c". Accordingly, the above amendment has been made to clarify the matter.
